CHRISTMAS MENU 2024

Our Dickensian-style candlelit venue with mahogany tables and sawdust covered floors is one of the most atmospheric venues in town. Our food is freshly made by ourselves, and we only use top quality ingredients from some of the best suppliers in the county.

We have one of the most comprehensive wine lists you're likely to find in Essex and have traveled the globe, hunting out products of personality and credibility. We list around 150 wines and serve up to 30 by the glass & carafe.

We also offer a wide range of craft beers and handmade cocktails.
